

LIK

there been moe, it would by *likelihood* as well have noted many.
 Many of *likelihood* informed me of this before, which hung so tottering in the balance, that I could neither believe nor misdoubt.
Hooker, b. ii.
Shakespeare's All's well that ends well.
 It never yet did hurt,
 To lay down *likelihood*, and forms of hope. *Shakespeare.*
 As there is no *likelihood* that the place could be so altered, so there is no probability that these rivers were turned out of their courses. *Raleigh's Hist. of the World.*
 Where things are least to be put to the venture, as the eternal interests of the other world ought to be; there every, even the least, probability, or *likelihood* of danger, should be provided against. *South's Sermons.*
 There are predictions of our Saviour recorded by the Evangelists, which were not completed till after their deaths, and had no *likelihood* of being in when they were pronounced by our blessed Saviour. *Addison on the Christian Religion.*
 Thus, in all *likelihood*, would it be with a libertine, who should have a visit from the other world: the first horror it raised would go off, as new diversions come on. *Atterbury.*

 They all do live, and moved are
 To multiply the *likeness* of their kind. *Spenser.*
 A translator is to make his author appear as charming as he can, provided he maintains his character, and makes him not unlike himself. Translation is a kind of drawing after the life, where there is a double sort of *likeness*, a good one and a bad one. *Dryden.*
 In such cases there will be found a better *likeness*, and a worse; and the better is constantly to be chosen. *Dryden.*
 2. Form; appearance.
 Never came trouble to my house in the *likeness* of your grace; for trouble being gone, comfort should remain. *Shak.*
 It is safer to stand upon our guard against an enemy in the *likeness* of a friend, than to embrace any man for a friend in the *likeness* of an enemy. *L'Estrange.*
 3. One who resembles another.
 Poor Cupid, sobbing, scarce could speak,
 Indeed mamma, I did not know ye:
 Alas! how easy my mistake?
 I took you for your *likeness* Cloe. *Prior.*
LYKEWISE, adv. [like and *wise*.] In like manner; also; moreover; too.
 Jesus said unto them, I also will ask you one thing, which if ye tell me, I *likewise* will tell you by what authority I do these things. *Mat. xxi. 24.*
 So was it in the decay of the Roman empire, and *likewise* in the empire of Almaine, after Charles the Great, every bird taking a feather. *Bacon's Essays.*
 Spirit of vitriol poured to pure unmixed serum, coagulates it as if it had been boiled. Spirit of sea-salt makes a perfect coagulation of the serum *likewise*, but with some different phenomena. *Arbutnot on Aliments.*
LYKING, adj. [Perhaps because plumpness is agreeable to the sight.] Plump; in a state of plumpness.
 I fear my lord the king, who hath appointed your meat and your drink; for why should he see your faces worse *liking*, than the children which are of your fort. *Dan. i. 10.*
LYKING, n. f. [from *like*.]

 By fandy Lodon's *lilied* banks. *Milton.*
LYLY, n. f. [*lilium*, Latin].
 The *lily* hath a bulbous root, consisting of several fleshy scales adhering to an axis; the stalk is greatly furnished with leaves; the flower is composed of six leaves, and is shaped somewhat like a bell: in some species the petals are greatly reflexed, but in others but little; from the centre of the flower rises the pointal, which becomes an oblong fruit, commonly triangular, divided into three cells, and full of compressed seeds, which are bordered, lying upon each other in a double row. There are thirty-two species of this plant, including white *lilies*, orange *lilies*, red *lilies*, and marigolds of various sorts. *Miller.*
 Oh! had the monster seen those *lily* hands
 Tremble, like aspen leaves, upon a lute,
 And make the silken strings delight to kiss them;
 He would not then have touch'd them for his life. *Shakespeare.*
 Shipwreck'd upon a kingdom where no pity!
 No friends! no hope! no kindred weep for me!
 Almost no grave allow'd me! like the *lily*,
 That once was mistress of the field, and flourish'd,
 I'll hang my head, and perish. *Shakespeare, Henry VIII.*
 Arnus, a river of Italy, is drawn like an old man,
 by his right side a lion, holding forth in his right paw a red *lily*, or flower-de-luce. *Peasam on Drawing.*
 Take but the humblest *lily* of the field;
 And if our pride will to our reason yield;
 It must by sure comparison be shown,
 That on the regal seat great David's son,
 Array'd in all his robes, and types of pow'r,
 Shines with less glory than that simple flow'r. *Prior.*
 Go, gentle gales, and bear my sighs along:
 For her the feather'd quires forget their song,
 For her the *lilies* hang their heads, and die. *Pope.*
LYLY-DAFFODIL, n. f. [*lilio-narcissus*.] A foreign flower.
LYLY-HYACINTH, n. f. [*lilio-hyacinthus*.]
